**Subject: Feasibility Study for Operable Unit No. 2 - FINAL
Burton Island Historical Ash Disposal Area, DE-1399
NRG-Indian River Power LLC, Dagsboro, Delaware**

Dear Mr. DeCowsky:

Indian River Power LLC, a wholly-owned subsidiary of NRG Energy (NRG), respectfully submits this Final Feasibility Study (FS) for Operable Unit No. 2 at the Burton Island Historical Ash Disposal Area to the Delaware Department of Natural Resources – Site Investigation and Restoration Section (DNREC SIRS). The FS was revised from the August 2012 version based on discussions with DNREC SIRS. We are submitting 4 bound and 1 unbound hard copies of the FS and one CD containing the PDF files. The PDFs are unsecured and portioned into individual files of 10 megabytes or less.

Please contact me with questions or for additional information at 302.540.0327 or via email at david.bacher@nrgenenergy.com.

Sincerely,
NRG Energy

David Bacher
Regional Manager
