Hello,

I am reaching out to offer my enthusiastic support for Goodwill's application for the Standard Coastal Zone Permit in my capacity as member of the Goodwill of Delaware & Delaware County Board of Directors. I sincerely hope this request can be approved.

Goodwill has been a leader in our community for many years by searching for & implementing effective processes to re-use community donations and maximizing the value of all donations by recycling to avoid adding items to our landfills. I hope this request can be approved very soon!

Thank you!

Best regards,
